

PUAMANA COMMUNITY ASSOCIATION
OFFICIAL RULES
EFFECTIVE AUGUST 14, 2009

Forward

The Puamana Community Association (“PCA”) has formulated these Rules “...so as to provide the enjoyment of the Common Properties by every Member in a manner consistent with the preservation of quiet enjoyment of the Lot and Living Unit by every Owner.” These words are from the Declaration of Covenants, Conditions and Restrictions, Article IV, Section 3(f), dated May 1968.

According to the Bylaws, Article XIII, Section 5, dated April 2002, “The Board of Directors shall from time to time adopt and publish a Schedule of Maximum Fines for Rule and Regulation Violations which shall prescribe the maximum fine that may be imposed for the violation of any Rule or Regulation.” **For serious violations (e.g., violations posing a risk to health or safety) no notice will be necessary prior to the imposition of fines.** The Board of Directors has empowered the General Manager, and it is his duty, to enforce all Rules. He may at his discretion designate members of his staff to assist him in the enforcement of certain Rules, including contract security personnel hired for this purpose. The General Manager should insure that contract security personnel are familiar with these Rules and that they are expected to report Rule violations as part of their normal duties. The General Manager shall impose fines in accordance with the Official Rules, subject only to appeal to the Board as described herein. **Fines must be paid before they can be appealed to the Board.** The General Manager may call upon local enforcement agencies for assistance whenever someone within the physical limits of PCA properties is disturbing or threatening others, misusing facilities or common areas, or is suspected of committing a crime.

The basic rules for any dwelling can be simply stated as common sense practice in the consideration of others in order to create a friendly, pleasant atmosphere. The PCA appeals to all owners and their guests to adhere to all of these Official Rules and also demonstrate reasonable tolerance of others because of the close proximity in which we live.

The PCA Rules state the responsibilities of everyone on the premises. The Rules take into consideration the desires of the owners and their guests, and are subject to revision from time-to-time by the PCA Board of Directors, the final arbiters of any disputes or misunderstandings arising from these Rules. The Rules apply to all owners, occupants, guests, employees and other persons using the property. Each owner is responsible to see that all occupants of his/her living unit, guests, employees and other persons using the property are made aware of these Rules.

1. Procedures for Problems and Complaints

Except for emergencies, all complaints should be in writing signed and addressed to the General Manager. Suggestions are also welcomed and should also be addressed to the General Manager.

2. Emergency Telephone Numbers

In case of bodily injury, theft or fire, the emergency number 911 should be dialed and the problem stated to the emergency operator. After the 911 call, Security should be contacted at 667-5383, regardless of the time of day.

General Information

1. Car Registration

For the purposes of this document, a Puamana Occupant is defined as a homeowner, or a tenant whether long term or short term, or overnight guests of either homeowner or tenant, whether family or friend. All Puamana Occupants must register their vehicle or if not driving a vehicle, then Occupant should notify the PCA office of their arrival on the next business day for security purposes. Following registration or notification, Occupants are considered to have established “property privileges,” rights to use the facilities such as the pools, tennis courts, and Clubhouse. **All Occupants, including owners, must agree in writing to these Rules before being issued a temporary or annual parking pass or upon arrival notification. Owners and long-term renters should receive a full copy of these Rules and sign the “Occupant Rule Acknowledgement Form” before receiving an annual parking pass. Shorter term Occupants should receive the Rules Summary and sign it before receiving a temporary parking pass.** Owners who do not live on property and who do not park at Puamana overnight are not required to register their vehicle but still enjoy full “property privileges”. Such owners must still sign for the Rules on an annual basis.

Puamana Guests are daytime visitors staying elsewhere. Daytime Guests must be accompanied by a Puamana Occupant when using Puamana facilities and Occupants are responsible for their Guest’s adherence to the Rules. Any person found on Puamana who is not a Unit Occupant or not accompanied by an Occupant may be asked to leave the property by Puamana staff or contract security personnel.

2. Main Gate Entry and Security

- a) Each living unit will normally be issued up to two main gate clickers and two magnetic cards for use by the owner and his/her guests. Owners may request a reasonable number of additional cards (but not clickers) in

writing to the Puamana Office, which may be approved at the discretion of the General Manager. The General Manager shall obtain each owner's approval in writing to certain conditions of use, including agreement to return all clickers and cards upon sale of the living unit.

- b) Vendors may request a single magnetic card in writing to the Puamana Office, and upon approval of the General Manager, such card may be issued for the duration of the work and must be returned upon completion. The General Manager shall obtain each vendor's approval in writing to certain conditions of use, including agreement not to use such card except for business purposes. The standard vehicle registration fee and card deposit will apply to such vendor cards, and a vendor registration sticker will be issued. Additional vendor employees and sub-contractors should obtain entry by buzzing the Puamana Office during business hours.
- c) Main Gate security codes will only be issued to certain emergency personnel and transient vacation rental guests. The TVR gate code will be changed on a monthly basis by the Puamana Office and will be monitored by the Office to prevent abuse. Should rare extraordinary circumstances arise, the General Manager, in his discretion, may issue private gate codes to Homeowners or others. Absence of previous misuse may not be considered an extraordinary circumstance.
- d) Tail-gating entry by a second vehicle through the main gate is not permitted and is a safety violation subject to the standard fine without prior warning.
- e) Cloning of clickers and magnetic cards is not permitted. Lending or providing of clickers, cards or gate codes to non-owners and non-residents is not permitted. The Puamana Office shall monitor all clickers, magnetic cards and passwords for misuse. Any violation of these rules is a potential security risk, and the standard Puamana fine may therefore be imposed without prior warning.

3. U.S. Mail

Mail is distributed once a day in the late afternoon by the U.S. Postal Service. Postal mail boxes are located in the laundry area on the north side of the Clubhouse. If a proper request form is on file at the PCA Office, express deliveries and oversized packages will be accepted and held in the Office and can be picked up during office hours. The Office will normally call the Occupant to inform them of the delivery. If not picked up within 5 days for packages and 30 days for letters, the items will be returned to sender as undeliverable. If a request form is not on file at the PCA Office, the delivery companies will attempt to deliver direct to the living unit.

4. Laundry Facilities

Washers and dryers are located at:

- a) Clubhouse laundry room – between 8 a.m. – 8 p.m. only
- b) Near Pool #3 – between 8 a.m. – 8 p.m. only

Washers and dryers are for the exclusive use of Puamana Occupants.

5. Garbage – Trash – Litter

Garbage, other than what can be put down the disposal, rubbish, and other trash should be disposed of in garbage cans in the corrals located near each unit. Garbage should be wrapped securely, preferably in plastic bags, before placing it in the garbage cans. Lids to garbage cans should be replaced. Recycling containers are located adjacent to each trash corral. Currently it is possible to recycle newspapers, cardboard, tin and aluminum cans, plastic bottles and glass bottles. Articles deposited for recycling should be free of food residue and deposited into the proper container.

6. Swim with Caution

There are no lifeguards at any of Puamana's three (3) pools, nor along the Puamana beach. Each pool is equipped with a life ring, but caution is advised when using the deeper ends of the pools, especially for non-competent swimmers. The ocean can be hazardous; please read and adhere to all warning signs along the beach. See pages 7-9 for detailed information on the pools. PCA assumes no liability for swimmers at its pools or at the Puamana beach.

7. Fees

A schedule of all current Puamana fees (faxes, photocopy, etc.) is posted in the Clubhouse and may be amended from time to time by the PCA Board of Directors, as it deems necessary.

General Rules

Complaints relating to any employee's or contractor's performance of duties should be made in writing to the General Manager. Any complaints relating to the General Manager should be made in writing to the PCA Board of Directors.

2. Recreation Areas

Puamana's large open spaces invite varied recreational use. Any person using these areas must take into consideration the right of quiet enjoyment of any adjacent living units, and must not do anything that will create a liability for the Association. The designated sports field by the tennis court is the only authorized location to be used for organized games and team sports. For health and safety reasons, no access is permitted to the canal at any time except for authorized maintenance personnel. No hitting of golf balls is permitted in Puamana. Climbing trees is not allowed in Puamana due to safety concerns as well as the health of our trees. Throwing objects into the mango trees to knock down fruit is forbidden.

3. Outdoor Cooking

All outdoor cooking is restricted to covered fireproof containers. These fireproof cooking containers must be placed so that smoke, heat, flames, or location are not a fire hazard to the structure or cause for complaint from persons in other living units. Barbecuing is also permitted at the Clubhouse and in the fire pit on the beach in front of the Clubhouse. (Advance permission must be obtained from the General Manger for fire pit or PCA-owned barbecue grill use.) All fires must receive constant supervision. Parking permits will only be issued to Puamana owners and registered guests (i.e., Occupants). Parking permits will only be issued to the registered owner of the vehicle or, in the case of rental vehicles, to the licensed renter. Each living unit is limited to a maximum of two full-size vehicle parking stickers. If owners park their own vehicle(s) permanently on property, it/they count against the maximum of two full-size registered vehicles per unit if the owner rents his or her unit. Special parking stickers will be issued for vehicles that are not deemed full-size, and do not count against the two permitted full-size vehicles, as discussed below. Puamana parking permits, for automobiles, must be displayed in the lower left-hand corner of the windshield and must be visible at all times, except when vehicle is covered for long-term storage. Parking stickers for other vehicles must be visibly displayed at all times. If owners park their own vehicle(s) permanently on property, it/they must be registered annually. Day visitor vehicles are exempt from the registration requirement.

Electric vehicles, such as golf carts or other vehicles that are licensed for street use, must be issued one of the two available full-size parking passes per living unit if they are unable to park together with a normal size automobile within the confines of the first assigned parking stall. Smaller golf carts, generally those that are not licensed for use on public streets, motorcycles, mopeds, etc. that can fit together with an automobile within the confines of the assigned parking stall will be issued a special parking permit and do not count as one of the two permitted full-size parking permits.

Carts operating during darkness or times of limited visibility must utilize operational front headlight and rear reflection device. Handicapped Occupants may obtain an annual handicapped sticker from the PCA Office for their golf cart or other personal mobility vehicle, and may use such vehicle to access Common Property pursuant to Federal and State Law. PCA requires proof of current handicapped driver permit from Hawaii or other state before issuing a handicapped sticker.

Penalties for Violation of the Rules

- 1) All persons who fall within the purview of PCA Bylaws, (i.e., Occupants and Guests) are obligated to observe all Rules adopted from time-to-time by the Board of Directors and shall comply with all reasonable requests of the General Manager and his or her staff in the enforcement of these Rules.
- 2) Persons who violate the PCA Charter, CC&Rs, Bylaws or Rules are subject to sanctions including, without limitation, monetary fines established by the Board of Directors and/or withholding of privileges at Puamana.
- 3) Any person who has been charged with a penalty for violation of the Rules, or has damaged Puamana property, plant or facility, shall pay the fine and all costs for restoration or replacement of the damaged property, plant or facility, including any legal fees that may be required to exact such charges.
- 4) Any Occupant or PCA employee or PCA contractor may register a written complaint with the General Manager if he or she believes the Rules are being violated. PCA employees and contractors must report any rule violations on the "Rule Violation Tracking Form". If the complaint is verified by the PCA General Manager, a letter will be sent to the unit owner and the unit occupant, if they are not the same person. Fines will be assessed if a second or subsequent warning is required, or after the first violation in matters of safety or certain other cases. All fines will be assessed against the unit owner and charged to the owner's PCA account, except for parking, speeding or private items on common property, where the vehicle can be booted or item removed, and a fine collected in advance of removal or return.
- 5) For ACC Rule violations, the first violation shall normally result in a warning. The second violation will be a \$50 fine with the fines doubling on subsequent violations. Saturday (or after hours) noise violations shall start at \$100 (one warning). Work on Sunday will result in a \$250 fine (no warning).
- 6) All Rule violations shall be specified in writing. Consequences for violation of the Rules may be found under the specific Rule and are in addition to any Association costs incurred. Fines not otherwise specified herein are set at \$250 per day up to a maximum cumulative fine for each single violation of \$1,000 per month.
- 7) All House Rule violation notices and fines may be appealed to the PCA Board of Directors. Upon payment of all outstanding fines, a member may appeal in writing to the BOD at the next regular Board meeting. The Board's decision on appeals is final and the owner will be notified in writing of the appeal's outcome. Tenants must appeal through their owner or rental agent. Written appeals should be sent to the Puamana Office. All fines shall be treated as a special assessment against the owner of the unit, except for fines for parking, speeding and private

items on Common Property (where vehicles can be booted and private items removed by PCA.)

- 8) Owner payments will be applied to any fines (and certain other liabilities) before monthly maintenance assessments.
